WORDS TO KNOW

decayed electrical fuels globe

Matching Phrase I'll give you one or two words that describe one of the vocabulary words. Then you tell me what the vocabulary word is. For example, if the word were *palace*, I might say *mansion*.

SPELLING WORDS

wool	food	tunes	move
used	mood	brooks	crew
spool	stool	stew	suits
grew	group	stoop	you'll
should	cookie	huge	zoom

Missing Letter I'll rewrite the spelling words leaving out the vowels. You can fill in the correct vowels and spell the word.

Dear Family Member:

This week we are reading, "Energy: Power Source." It's a series of articles that tell about the ways we use energy. There are a lot of facts presented that point out the need for people to conserve and use energy wisely. That's the point I think the authors want to get across. They want to persuade people that energy conservation is important.

The Art of Persuasion

Let's read situations below and choose one we think is important. Then we can talk about how we could persuade a family member that the idea is a good one.

Outdoor physical activity is good for people, especially for students. It re-energizes them and makes them more alert for classes. An extra recess during school hours is a good idea.

Queridos familiares:

Esta semana estamos leyendo *Energy: Power Source*. Es una serie de artículos que hablan sobre la forma en que usamos la energía. Se presentan muchos datos que indican la necesidad que tenemos de usar y conservar la energía prudentemente. Ésa es la idea que creo que los autores desean comunicar. Quieren persuadir a los lectores de que la conservación de energía es importante.
