Dear Family Member:

I'm reading *The Fun Kids' Band* in class this week. I can check if I understand a story by retelling it in my own words. In *The Fun Kids' Band*, a group of kids want to play in a band. They have to make their own instruments using old things they find in a box! I wonder what instruments they will play. When I know, I can retell the story by describing what happens in the order it happens.

Queridos familiares:

Estoy leyendo *The Fun Kids' Band* en la clase esta semana. Puedo verificar si entiendo el cuento cuando lo cuento de nuevo con mis propias palabras. En el cuento *The Fun Kids' Band*, un grupo de niños quiere tocar en una banda. ¡Ellos tienen que fabricar sus propios instrumentos usando cosas viejas que encuentran en una caja! Me pregunto qué instrumentos van a tocar. Cuando lo sepa, puedo contar el cuento de nuevo y describir lo que pasa en el orden que ocurren las cosas.
