Dear Family Member:

I'm reading "Kids' Inventions" in class this week. In this article, children see things that make them invent things. What they see causes them to come up with something brand new. This is called *cause and effect*. I wonder what other inventions I'm going to read about this week.

This Week's Skills

Queridos familiares:

Estoy leyendo *Kids' Inventions* en la clase esta semana. En este artículo, los niños ven cosas que les hacen inventar cosas. Lo que ven causa que se les ocurra algo completamente nuevo. A esto se le llama *causa y efecto*. Me pregunto acerca de qué otros inventos voy a leer esta semana.
