## Dear Family Member:

*The Catch of the Day* is a West African folk tale. One of the characters is the Griot, a storyteller. He tells stories to pass on the traditions of his ancestors and to entertain as well. In this play the Griot is telling a group of children a story about a tricky fisherman. It is interesting to learn about African traditions and folk tales. The fisherman has already tricked one person. Will he trick another person? Will someone trick him?

### Queridos familiares:

*The Catch of the Day* es un cuento popular de África occidental. Unos de los personajes es el *griot*, un narrador de cuentos. Él narra cuentos para transmitir las tradiciones de sus ancestros y también para entretener a la gente. En esta obra de teatro, narra a un grupo de niños un cuento acerca de un pescador tramposo. Es interesante aprender acerca de las tradiciones y los cuentos populares africanos. El pescador engañó a una persona. ¿Va a engañar a otra persona? ¿Alguien lo va a engañar a él?
