## Dear Family Member:

This week we're reading a fairy tale called, *The Golden Mare, The Firebird, and the Ring*. I'm paying attention to what happens, and the order in which things happen. A golden mare found Alexi in the forest. Alexi was hired as a huntsman because the Tsar was impressed with his wonderful horse. Alexi then became an excellent huntsman. If I keep remembering events in order, I'll be able to summarize the story after I finish reading. I'll be able to tell you a short version of what I read.

### Queridos familiares:

Esta semana estamos leyendo un cuento de hadas que se llama *The Golden Mare, The Firebird, and the Ring*. Estoy prestando atención a lo que ocurre y el orden en que ocurren las cosas. Una yegua dorada encontró a Alexi en el bosque. Alexi fue contratado como cazador porque el zar estaba impresionado con su maravilloso caballo. Alexi entonces se convirtió en un excelente cazador. Si sigo recordando los eventos en orden, podré resumir el cuento una vez que termine de leerlo. Podré contarte una versión corta de lo que he leído.

### Destrezas de la semana

**Comprensión:** orden de los sucesos

**Vocabulario:** homófonos

**Ortografía/Fonética:** partes de una palabra

#### Chè manm fanmi :

Semèn sa a n ap li yon istwa kont de fe ki rele, *The Golden Mare, The Firebird, and the Ring*. M ap prete atansyon a sa k ap rive, epi nan lòd bagay yo rive. Yon jiman te jwenn Alexi nan forè a. Yo te anboche Alexi kòm yon chasè paske zar la te enpresyone avèk bèl jiman li an. Kidonk Alexi vin tounen yon ekselan chasè. Si m kontinye sonje evenman yo nan lòd yo rive, mwen pral kapab rezime istwa a aprè m fin li l. Mwen pral kapab rakonte w yon vèsyon kout sou sa mwen te li a.
